Brand Icons

- All brand icons are trademarks of their respective owners.
- The use of these trademarks does not indicate endorsement of the trademark holder by Font Awesome, nor vice versa.

⚠ Warning!

Apparently, Adblock Plus can remove Font Awesome brand icons with their "Remove Social Media Buttons" setting. We will not use hacks to force them to display. Please **report an issue with Adblock Plus (https://adblockplus.org/en/bugs)** if you believe this to be an error. To work around this, you'll need to modify the social icon class names.
